

Grants & Funding

1. COVID-19 No Kid Hungry Grants Available to Support Coronavirus Response

As coronavirus is closing schools and workplaces nationwide, vulnerable children are losing the school meals they depend on, and low-income families are struggling with lost wages. No Kid Hungry is offering emergency grants to support local school districts and nonprofit organizations in their efforts to ensure kids get the nutritious food they need. [Learn more here.](#)

2. COVID-19 Dunkin' Joy in Childhood Foundation

The Dunkin' Joy in Childhood Foundation is activating \$1.25 million in emergency funding to support organizations on the frontlines of the Coronavirus (COVID-19) response. Applicants must be a 501(c)(3) nonprofit organization in the health or hunger relief space providing essential services to people impacted by COVID-19. [Learn more here.](#)

3. COVID-19 COVID-19 Related Funding for Nonprofits

Grant Station has compiled a list of current funding opportunities for nonprofits in the area of COVID-19, updated each business day and listed by deadline date. It includes funding available nationally as well as geographic-specific funding opportunities. Note that these funding sources cover a wide range of nonprofit functions, not just health and hunger relief. [See more here.](#)

4. Ben & Jerry's Foundation Social and Environmental Justice Projects

Pre-Application Deadline: April 15

Grants of up to \$25,000 will be awarded to 501(c)(3) nonprofit community-organizing groups working to advance social and environmental justice and support sustainable and just food systems. Pre-applications are due April 15. Upon review, selected applicants will be invited to submit a full application. [Learn more here.](#)

5. USDA AMS: Regional Food System Partnerships

Deadline: May 11

USDA AMS's Regional Food System Partnerships (RFSP) program supports partnerships that connect public and private resources to plan and develop local or regional food systems. The effort is focused on building and strengthening local or regional food economy viability and resilience by alleviating unnecessary administrative and technical barriers for participating partners. [Learn more here.](#)

6. USDA AMS: 2020 Specialty Crop Block Grant Program

Deadline: May 27

The purpose of the Specialty Crop Block Grant Program (SCBGP) is to enhance the competitiveness of specialty crops. Specialty crops are defined as "fruits, vegetables, tree nuts, dried fruits, horticulture, and nursery crops (including floriculture)." The agency, commission, or department responsible for agriculture within any of the 50 States, DC and the US territories is eligible to apply directly to USDA for grant funds. Organizations or individuals interested in the SCBGP should contact their state department of agriculture for more information. [Learn more here.](#)
